

LIBPA members,

Please make sure to help support, Friends of Whitehall Park. We have a limited time to preserve this property and I would encourage everyone to take a minute to sign the petition and look at their website. LIBPA definitely supports this and has already made a financial contribution towards making this a reality. Please see the information below from Paul Butare. Thank you for all your efforts and, as always, I welcome any feedback that we can pass on to decision makers.

Sincerely,

Mark Weeks  
President  
Lady's Island Business and Professionals Association

You may not be aware of an effort going on here to get a public park on the Whitehall property.

There's a web site [www.friendsofWhitehallPark.com](http://www.friendsofWhitehallPark.com), and a Facebook page Friends of Whitehall Park, as well as a Petition <https://chn.ge/2NQIThi>

If this is something you support, getting your signature on the petition will make a difference. And if you can, please send it on to several of your friends and associates.

**Thanks for considering it!**

All the best,

Paul
